When Nahid received the unsettling and mysterious news that Pari had died after falling down a flight of stairs, she traveled back to Iran-now under the Islamic regime-to find out what happened to her truest friend, confront her past, and evaluate what the future holds for The Cynics Word Book (Annotated) heartbroken in a tale of crushing sorrow, sisterhood, and ultimately, hope. Among them, the most important and distinctive was Diogenes of Sinope, who became the archetype of Classical Cynicism. Conclusion While Diogenes has received the greatest amount of attention for his critique of society, his positive political views have been seriously overlooked.
