Arken Freeth is a brave and noble young man who is a wonderful role model and who has a fun and adventurous way of overcoming all kinds of difficulties in a world of evil pirates, treasure, frightfully large scary animals that are always on the prowl, the unscrupulous companion, and of course, the lovely and brave young lady. Join Arken as he struggles to survive 13, years ago in the lost world of the Lantish Empire on the Western edge of the Circle Sea, now called the Atlantic Ocean. If Arken can escape the Tookan pirates intent on stealing the necklace for themselves and deliver it safely to the king of Lanth, he will turn the tide of war.
