Simon Publications LLC. The most immediate answer provided by modern books and articles on this subject is that the Japanese have a long-standing and close affinity with nature, rooted in a deep and influential agricultural heritage centered on wet-field rice farming, and that the climate and geography of Japan brought about a profound sensitivity to the cycle of the four seasons. From its beginnings in the documentary movement of the thirties, to its more stylistically eclectic and generically hybrid contemporary forms, socialrealism in British cinema remains a rich and diverse tradition. Dickstein, Morris. New York Columbia University Press. Jong J.

From its beginnings in the documentary movement of the thirties, to its more recent
illustrations The illustrations serve two basic functions.
