Wolf Brother became a national bestseller in the United States, and the rights to the series were bought by 20th Century Fox to be made into major motion pictures. The unwavering belief that they have in each other helps drive the direction of the plot.

Eventually, they discover the reason for the mysterious sickness is that Terrence. The author gives him an unusual vocabulary that often describes exactly what things are to a wolf or any other animal: for example, he refers to fire as the Bright Beast-that-Bites Hot. Shannon's spin is crafted with care, the descriptions are vivid and the narrative flows. Some will have multiple names, and according to the ethnographer "James Mooney" the seven are the result of consolidation of as many as what was previously fourteen separate clans in more ancient of times [5]. Bridget rated it it was ok Feb 24, Also kept me interested and at the edge of my seat. When Wenebojo awoke, he was very hungry and started to take out his goslings .
