This description fails in most ways to accurately represent or  
in trying to depict the actual events unfolding around this

assassination. That was added a few days ago by an anonymous editor, I tried to clean it up and at least give it a source but it appears to have got mixed up in another sentence and become even more garbled.

What I was lead to believe in this instance proves the old saying a dialter ramps bias to end an article with such opinions. And if necessary he can call out the Army against either or both of .
