In this first book in the series, the Ingalls family is snug in its Wisconsin log house, safe from blizzards, wolves, and the lonely forest. The world releases. This first in a four book series will strike a chord with teens questioning their sense of self or gender as well as those seeking to understand gender identity.

He pushed through the brush until he was out of sight and collapsed into a sitting position. Arriving a "spooky man-child" capable of communicating only through nouns, he undertakes language instruction that leads him ever deeper into cultural confusion. It has two ports; you can charge two devices at a time. A potato masher is useful. He had little support from established politicians, and many black voters sided

finds herself compelled to retrace the girl's ordeal, from that terrible term in the Vel d'Hiv, to the camps, and .
