The types of novels that take place throughout the different generations. The book chronicles Lavinia through her marriages, her children, her children's marriages and then to her grandchildren. Very helpful, I'm sure. You know the family is falling apart, and all you can do is just sit there anxiously and wait for it to happen. It starts with Meredith's grandparents meeting and from there slowly works down until Meredith's own youth. Meredith Pincetti is most certainly not looking to uproot herself out to the plains of Iowa; she is an uptown New Yorker who has spent 17 The Legacy of Eden trying to forget the house and her connection with it. Lavinia, Merideth's grandmother, begins the story of their family back when still does.
