Sleepcozyinmywarmbed.Ithoughtthatwasprettycool. Cannot wait to read the second one. All she wants to do is skate, but when a strange, blue-skinned man drops into her life and opens a door into both her hidden past and an alternate universe full of dangers, Aoife finds herself face to face with a true, bad-to-the-bone Demon, and suddenly the meanings of friend and foe are no longer so clear. Not an easy task, and one extra obstacle to achieving a high quality, cohesive read.
