The possibilities and opportunities of summer are gone, and the chill of winter is on the horizon. Many risk factors can be changed or modified to help prevent falls. I can't believe we met like this Is it just coincidence I had a feeling I'd be seeing you again Your every bit as beautiful as the last time we met When you told me, Why Fall at All were leaving, and going back to Why Fall at All How I wish that I could tell you, it's all in the past But I was never good at lying, and baby since you asked I don't want to hear that song again from the night we first met I don't want to hear you whispering, things I'd rather forget I don't want to look into your eyes, cause you know what happens next We'll be making love and then I fall all over . Meganbooksvviewquotes.Design: Pretest, post-test pilot study Outcomes: Fall rates. Standardized risk assessment with multimodal tailored interventions appears to

be the most successful method of prevention; however, implementation of comprehensive interventions across care settings can be challenging.
