In the German Democratic Republic the roots of German militarism have been destroyed since the Junkers and the war industrialists, its traditional supporters, were deprived of their economic power. In this Thedieck is only continuing the same policy which he already followed during and before the Hitler period. The German side did not make use of this opportunity, prolonged the process and even unsuccessfully attempted to interfere in personnel matters in Poland. SoonaftertheWallfell,GDRconomists,activistsandpoliticiansdebated My thesis is that the direction these changes took was essentially determined by external factors. In the United States, the states of North Dakota and South Dakota are the only states where German is the most common language spoken at home after English.
