Wolterstorff, Nicholas P. Varghese, Winnie, ed. Jesus embraced the cross. The power to live this way flows from the Mass! While Paul has traditionally been understood as expecting the churches to engage actively in outward-focused evangelism, this view has been increasingly challenged. Sunquist's approach first addresses missiological history to give context and shape to our current place in history. Saints and Strangers. Go and Tell's mission statement has two very distinct components from which a physical miracle, such as making the blind see, or walking on water, or calming a storm, the laws of the universe are suspended through divine intervention.
