It is at this point that Professor Mannheim's contribution marks a distinctive advance over the work that has hitherto been done in Europe and America. Coulthard, R. Langages, 8, 36,

JournalofLiterarySemantics,183Moreandmore,however,historiansfound

aspect of American individualism is a playing down of problems of the nation as a whole, in the sense of playing down the need for coordinated cooperation of the whole nation toward attaining collective goals; there has even been a strong tradition of distrust of government, especially of the central government. Political fights are conducted with money, with rules, with votes, and with favors, to be sure, but they are conducted above all with words and ideas" Stone
