A-Z of cancer conditions Cancer explained Cancer risk factors Screening and early detection Cancer treatments Living with cancer A-Z of cancer conditions Bladder cancer Bladder cancer affects twice as many men as women You may have already received this type of radiation to your breast or chest- wall after your initial diagnosis. Healthy living Healthy living. This may vary depending on your symptoms, the location and extent of the cancer. Women should become familiar with the normal look, feel and shape of their breasts, so they will notice any abnormal changes. Information about a therapy, service, product or treatment does not in any way endorse or support such therapy, service, product or treatment and is not intended to replace advice from your doctor or other registered health professional. These scans use radio waves and strong magnets instead of X-rays to take detailed images of the body. They are used to diagnose cancer and hormone endocrine therapy. There are several different types of hormone therapies. But Yvonne has another reason to talk about her experience.
