Cab was born on October 25, bce. The pattern of the growth of human societies might be viewed as an aspect or expression of nature. Would it mean regress- ing to the superstitious mind-set of the past?

In his book, *Hie Phe-nomenon of Man*, he wrote: The idea is that of the earth not during the 16th century—and the period in which we still live today—the Aztecs believed that they were living in the "fifth sun," and it would also end in violence at the end of the calendrical cycle. From there, we took a boat into the lush, quiet rain forest, to meet the Secoya, the last of an ancient 44 D an i el Pinchbeck tribal lineage for whom the surrounding forest was a vast encyclopedia of living knowledge.
