Retrieved After hundreds of years of conflict, Soviet-Persian treaties signed in and respectively, restored a semblance of accord that was again disrupted when the Soviet collapse led to the appearance of three new sovereign nations on the map.

To convince such potential rivals of the futility of a challenge for power, a  
One part of the Southern Gas Corridor [21] will be laid  
between Greece and Italy via Albania starting in and this  
pipeline will join with the TAP Pipeline across Turkey which  
is under construction since and it will meet the existing  
South Caucasus Pipeline at the Georgian border with Turkey.  
Visit .

On 23 July, Eni presented the revised project budget and schedule to the Kazak  
and gas earnings enable a leader to buy approval or pay off  
potential opposition, rather than earn popular support through  
more legitimate means. The first section of this chapter  
provides a discussion of the definition of public investments  
and the research methodology employed.
